

Why Invest In Qatar?

Invest Qatar was established in 2019

Qatar's FDI activities are unified under the Invest Qatar brand

Vision

To secure sustainable investments that will drive the development of Qatar's knowledge economy and position Qatar as a leading global investment destination

Mission

- ▶ Promote Qatar as a gateway for direct international investment
- ▶ Connect international investors to attractive business opportunities
- ▶ Encourage positive spillovers across Qatar with quality investments and talent
- ▶ Support investors throughout their journey
- ▶ Advocate to streamline the business environment

Qatar's licensing platforms represent regulatory environments within which businesses can be registered and operated

The Ministry of Commerce and Industry (MOCI) is responsible for overseeing commercial and industrial activities for the State of Qatar, and to manage these activities in accordance with the requirements of national development. The Ministry's mandate includes business development needed to attract investments, as well as to support and develop .exports

The Qatar Financial Centre (QFC) is a leading onshore business and financial centre, providing a world class platform for firms to do business in Qatar and beyond. They offer attractive benefits, including 100 per cent foreign ownership, 100 per cent repatriation of profits, a fair and transparent tax regime and a legal regulatory framework based on English common law.

The Qatar Free Zones Authority (QFZ) oversees and regulates world-class free zones in Qatar and secures fixed investments within the zones. QFZ offers outstanding opportunities and benefits for businesses seeking to establish operations and expand regionally and globally, providing quality infrastructure, a skilled workforce, 100% foreign ownership, access to investment funds, tax exemptions and partnership opportunities with Qatari entities.

The Qatar Science and Technology Park (QSTP) plays a key role in providing companies looking to expand to the region, the infrastructure, and the tools to develop tech-based, innovative, and entrepreneurial solutions. QSTP welcomes industry leaders and progressive companies to develop and deploy technological solutions in Qatar, focusing on ed-tech, artificial intelligence, ICT, sustainable development, and health.

Media City (Qatar) was established by Amiri Decree No. (13) of 2019. Its goal is to drive the growth and development of the media industry and to become an international hub for businesses, organisations, and entrepreneurs with a focus on traditional and digital media, technology, communications, research, and development.
